### EQUAL PAY FOR WOMEN.

By The Associated Press.

Austin, Texas, Jan. 23.—That women employed in public schools and in all other work shall receive the same rates of compensation as do men the doing the same class and amount of work is provided in a bill introduced into the legislature by McDonald of Dallas.

### MILITARY DRILL IN TEXAS.

By The Associated Press.

Austin, Texas, Jan. 23.—Teaching of basic studies, history, drill tactics in all schools of Texas where there are male pupils over the age of 12 years is proposed in a bill introduced by Senator of Dallas in the Senate. While such training is made a part of the regular course, the bill provides that any pupil may be excused from such drill and training on a certificate from a reputable physician in the effect that the pupil is not physically fit to take the training.

Senator Dayton said that the fact that the year is over should not be a reason for not giving proper military training to the boys of Texas. This bill includes such a military course in the University of Texas, A. & M. Colleges and the State Normal Schools.

### ASK SPEED ON SUFFRAGE.

By The Associated Press.

Austin, Texas, Jan. 23.—Both branches of the legislature have adopted a concurrent resolution urging the United States Senate to vote at the earliest possible moment on the Federal Women's Suffrage amendment. The resolution was backed by the Texas Equal Suffrage Association and by many of the local organizations of woman's suffrage throughout the state. A copy of the resolution was transmitted by the chief clerk of the house to the United States Senate.

### PERMITS FOR TRUCKS.

By The Associated Press.

Austin, Texas, Jan. 23.—Representative Davis of Van Zandt County has introduced a bill into the legislature to require that all motor trucks engaged in freight traffic upon public highways be required to procure a permit. The bill also provides the collection of a fee based upon gross revenues, tonnage and mileage, from all freight trucks on public roads.

### FUTURE OF HIGHWAYS.

Austin, Texas, Jan. 23.—The future existence of the State Highway Commission is involved in a bill introduced into the legislature by Senator of Parker county. This bill proposes the merging of the Highway Commission with the Railroad Commission, and would have the engineers appointed by the Railroad Commission do the work now done by the Highway Engineers.

Another bill introduced asks that the Pasteur Institute be placed under the State Board of Health and be operated as a bureau of that department. Yet another calls for the consolidation of the department of the dairy and food commissioner with the state board of health.

## Stock Men Opposed To Government Ownership Of Market Facilities

By The Associated Press.

Denver, Colo., Jan. 23.—Resolutions opposing government ownership of the railroads and urging early return of the railroads to private control under adequate federal regulation, favoring federal licensing and regulation of packers and stock yards, but opposing government ownership of marketing facilities, advocating universal military training and endorsing the federal women's suffrage amendment, were adopted today at the closing session of the twenty-second annual convention of the American National Livestock Association.

The convention also adopted resolutions urging changes in the method of administering the public lands and the national forests, advocating a protective tariff on live stock and meat products, and regulation of imports of cattle and hogs from Mexico so as to protect those which have been raised in America.

Large appropriations for state colleges and for the bureau of packers also were voted.

The resolutions regarding control of the railroads asserted that government operation is unsatisfactory and urged drift of Wyoming was elected president.

United States Senator John H. Kerney of Wyoming was elected president.

### Late Wire Flashes

BY BREAKING AIR RECORDS.

By The Associated Press.

Fort Worth, Texas, Jan. 23.—Major Theodore C. Macaulay, commanding officer of Talaferro Field at this city, making an attempt in a D' Haviland plane to break all ocean-to-ocean flight records, arrived at the field here at eleven o'clock today, and left at noon for Jacksonville, Fla. He will probably make stops at Shreveport, La., Jackson, Miss., Montgomery, Ala., and Americus, Ga.

On his return from San Diego, where he left Tuesday morning, the flyer made the 1,800 miles in 13 hours' actual flying time.

### RULES FOR AIR TRAFFIC.

By The Associated Press.

Paris, Jan. 23.—The Inter-Alied Air Commission will meet in Paris shortly to settle the big problems connected with the aerial traffic of the world. Technical experts are engaged on plans to be submitted.

One of the chief difficulties to be overcome is the drawing up of a set of rules for aerial passage applicable to all nations. Ordinary rules for flying, such as speed, height and navigating lights are easily adjustable, but the political

## PRESIDENT'S SOLUTION OF RUSSIAN AFFAIRS FAIL TO ENTHUSE FOREIGN PRESS

(Continued from Page One.)

BRITISH PAPERS COMMENT ON WILSON'S PROPOSALS.

Believe Russian Factions Will Accept and That Scheme Is Worth Trying.

By The Associated Press.

London, Jan. 23.—(Reuter's) wireless service.—There is no reason to suppose that this wise and high minded plan will be rejected by any Russian government," says the Daily News in commenting on the action of the various anti-war groups in getting representatives of all Russian movements to meet representatives of the allied powers in Prince's Island or discussion of the Russian question.

It affords them all a chance to agree from a third full of members,

the paper adds. "It releases them from fears of foreign interference which would have made a clever chess

maneuver and complicated the material issues that have so long ter-

nated the hapless Russian people.

But it is not only Russia that Pres-

ident Wilson has probably saved by his resolution; it is the hope of the cage of nations.
